2015 Summer Camps

About Gateway Field Hockey Camps...

Gateway Field Hockey Camps began in St. Louis in 1985 and has since grown into traveling summer camps throughout the Midwest. This year Gateway will travel to five cities including - Kansas City, Pittsburgh, Fort Worth, Oklahoma City, and Denver. We are excited to bring a wealth of knowledge, excitement, and fun to each of our field hockey camps this summer. Gateway camps have always brought high energy, experienced, and elite coaches from various levels of coaching. Many of our coaches are from international countries including England, Scotland, Holland, and Spain that bring a wealth of knowledge to camp! We also have a variety of D1, D2, D3 collegiate and high school coaches that coach at Gateway summer camps.
