TEAM CAPTAIN NOMINATION & EVALUATION/VOTING

NOMINATION

The JV team and the Varsity team will each have two team captains, and members of each team will vote for their respective captains.

Any team member may nominate herself and up to two teammates, provided they are willing to be team captains, according to the Team Captain Job Description.

EVALUATION/VOTING

Team members will use the Team Captain Evaluation Form to evaluate the Team Captain Candidates (the form will be adjusted to show all candidates).

Team members will assign a point value to each candidate for each trait such that:

5 = Most exemplifies the Team Captain Trait

4 = Above Average

3 = Average

2 = Below Average

1 = Least exemplifies

If there are more than five candidates, only two can be awarded a '5' point value per trait.

Team members cannot vote for themselves.
